

Fountain Valley Educational Foundation
"Moving our students from good to great!"

»» Help save existing programs in danger of being eliminated. ««

Since 1982 over a million dollars has been raised by the Fountain Valley Educational Foundation to benefit **all students** in the FVSD. Some of the programs that have received funding are:

- Hands-on Science
- Technology
- Reading, Writing, Math and History
- School Libraries
- Middle School Performing Arts
- Instrumental Music, 3rd- 8th Grades
- Music Program, K-5th Grades
- \$350,000 in Teacher Grants

With statewide budget cuts, our schools are more dependent than ever on outside support to maintain the high level of educational programs that are vital to our children's success.
